La storia del Gruppo Ciciriello ha origine negli anni '80 nella città di Andria, ai piedi del maestoso Castel del Monte. In questi luoghi intrisi di storia e tradizioni, tra i rigogliosi ulivi e le cattedrali, Giovanni Ciciriello, un commerciante dalla lungimirante visione imprenditoriale, poggia il primo mattone della sua azienda, trasmettendo sogni e progetti ai suoi figli. Oggi il figlio Alessandro è amministratore di Ciciriello Group, mentre a Riccardo è affidato il ruolo di responsabile risorse umane. Alessandro Ciciriello con grande dedizione, sacrificio e perseveranza, ha tramutato i sogni del "Patron" Giovanni in realtà importanti, sempre al passo con i tempi per idee, prodotti e tecnologie.

The history of Ciciriello Group has its origins in the 1980s in the city of Andria, at the foot of majestic Castel del Monte. In these places steeped in history and traditions, among the luxuriant olive trees and cathedrals, Giovanni Ciciriello, a merchant with a forward - looking entrepreneurial vision, puts the first brick of his company, transmitting dreams and projects to his sons. Today Alessandro is the director of Ciciriello Group, while Riccardo is entrusted with the role of human resources manager. Alessandro Ciciriello with great dedication, sacrifice and perseverance, has turned the dreams of the "Patron" Giovanni into important realities, always in step with times for ideas, products and technologies.
